

Application Number : 10/804,599
Amendment dated July 19 2007
Reply to Office action of May 2 2007

Amendments to the Drawings:

The only change to the drawings submitted on May 19 2004 is on the cover page of sheet one, item No. 30 line was repositioned for easier viewing. Drawings on sheets 1-4 contain all necessary notations, the error was in the omission in the description of the Drawings.

You may use the originally submitted drawings, or the enclosed replacement page.

On sheet 5 notation to AC cord 20 was added.

Attachment: Replacement sheet 1 and sheet 5

REMARKS / ARGUMENTS

In the Brief description of the drawing , the paragraphs [0016] amended to correct a minor notation omission.

Amendment contains no new matter.

Applicant acknowledges improper language and format for the Abstract of the Disclosure, replacement is attached on page 9.

The Examiner has acknowledged that claim 2 and 3 were withdrawn as a result of an earlier restrictions. As best understood claim one is free of prior art of record.

Claim one is being replaced with Claim 4 with a-d dependent claims, as it was not properly written.

Applicant respectfully request entry of amendments for examination.

Respectfully submitted,

Zoltan Egeresi
Tel .: (831) 425-4512

Remark and drawing page will be signed and mailed to you after confirmation that this amendment meets your approval. Thank you.
